

Recruiting Participants Summer Research Institute May 22, 2017 – July 6, 2017

Educational Advancement Program

Promoting and preparing first generation, low income, and under represented undergraduate scholars for higher education and the attainment of graduate degrees.

SRI Participants Summer 2016

- ❖ The Summer Research Institute (SRI) is a summer six week intensive undergraduate research experience
- ❖ Individual students work 1:1 with a faculty mentor with similar research interests.
- ❖ Participants will advance understanding of research resources, methodology, technical communication, and the graduate school experience.
- ❖ A stipend and meal card are provided
- ❖ Opportunities to present research
